### **Walk-In Interview for the position of "Project Management Consultant".**

**Job Description:-** District Project Livelihood College Society Dantewada is conducting walk-in interview for the position of "Project Management Consultant- 01 Post (Unreserved)" for Agriculture incubator and related innovations & e-governance activities in Dantewada district.

**Location: -** Dantewada

**Eligibility: -**

- **Education: -** Candidate should be:
  - Graduate in Engineering, Economics or science.
  - **Desirable: -** A master degree or a post graduate diploma (of a duration of one year or more) in Business Administration or Entrepreneurship development.
- **Age: -** As the job profile would entail expensive workshops and work related travel, the candidate must be full of energy and should be self driven. He/She should not be more than 60 years of age on the date of issue of recruitment notice.
- **Experience: -** Candidate should have at least 10 years experience in startup ecosystem with mentoring or co-mentoring at least 2 companies.
- **Communication skills: -** Candidate should be proficient in both written and oral communication in English and Hindi.
- **Essentials: -** Should have raised venture capital fund series 'A' for his/her company.

### **The Challenge and Opportunity at Dantewada: -**

1. Enable the people of the district to increase their earnings as well as stabilized streams of income.
2. Execute at high speed so people can experience measurable and immediate impact.
3. Create structural market linkages wherein their products and services sell with regularity.
4. Formulate technology to reduce paperwork and increase co-ordination.
5. Empower women's to earn their livelihood and increase their revenue.
6. Bring awareness of each producer to the consumer of their product.
7. Meet locals in the villages and assist them in economically empowering themselves.

### **Scope of work: -**

1. Provide onsite and offsite support in terms of project management and capacity building of Agriculture and Allied sectors.

**Onsite** deployment would involve visits to the district and within the district for two weekends each month. (A weekend would translate to the resource being present on Saturday morning at District and being available till Sunday evening 08:00 PM.) Besides this the resource may be called for two more required days as and when the need arises, this would be done in consultation based on mutual availability.

**Offsite** support would involve hand holding/knowledge management to be made available during working hours.

2. Study and understand various government processes and come up with innovative ways for better citizen service delivery and smoother government process. These solutions would further be developed via separate vendor contracts and would not fall under the scope of work of resource person.
3. 15 days; within joining, the resource would formulate a plan of action for at least two sectors, e.g. Agriculture/Horticulture/Veterinary/Health/

Livelihood and would present it to the chairman District Project Livelihood College Dantewada.

**Desirable Procedure for screening and selection: -**

1. The shortlisting of candidates to be called for interview by the Selection Committee shall be done on the basis of an appraisal of fulfillment of mandatory qualifications and evaluation of desirable qualifications, based on the information and materials submitted by the candidate and any verification of background/reference check that the screening committee may deem appropriate. The screening committee may call upon the candidates to clarify or furnish necessary information, names of referees or other individuals for verification or background/verification check, and to facilitate contact with such reference/individuals. Further, in case the candidate has not furnished information required, even after the passage of 72 hours of being called upon to do so via email or otherwise, the screening committee may draw an adverse inference regarding the fulfillment of the related mandatory or desired qualifications(s).
2. The evaluation of desirable qualifications shall comprise of evaluating candidates on each of the elements listed as desired using the score-based methodology outlined below: -

S.No.	Desired Attributes	Weightage
1	<i>Leadership and teamwork:</i> Experience of successfully building and/or leading a team that conceived a product, bootstrapped it, raised capital and brought the product to market.	20%
